BUILD THE FUTURE.**

THANK YOU.

THE VISION...

In the early years of the new millenium, Cultural Crossroads grew out of a conversation among friends of their shared dream of a society where diversity would be recognized as a community asset and respect for all traditions and cultures would be a basic community value.

THE EARLY YEARS...

Beginning in 2004, Cultural Crossroads embarked on multi-pronged programming. Since then, Cultural Crossroads has achieved a reputation for quality interactive, multicultural educational programs throughout the Greater Kansas City area with multicultural programs throughout the area, newsletters, a website with online community calendar and monthly electronic community event calendars

TODAY...

In order to meet the challenges of today's complex society, Cultural Crossroads needs to employ 21st Century technology and communications and, in order to do that, we need your support. Please consider becoming a supporting member of Cultural Crossroads so our educational programs can reach a new generation and lay the foundation for a society of mutual respect and a shared future.
